

# Middlesex Mutual Assurance Company.

RENEWAL NO. 8422

Middletown, January 4<sup>th</sup> 1862

This Certifies, That on application of Henry Hotchkiss  
of New Haven, Policy No. 10193 is hereby Renewed first  
time, upon the Conditions expressed in said Policy, and is continued in force  
for FIVE YEARS, to wit: from the 9<sup>th</sup> day of January 1862 at  
noon, until the 9<sup>th</sup> day of January 1867 at noon.

## CONDITIONS.

It is understood and agreed that ashes are not to be kept in vessels of wood, or in contact with wood, in or about the buildings insured. All stovepipes are to be kept properly cleansed, and secured at least two inches from any wood through which they may pass; also, both stoves and pipe to be kept at a suitable distance from all wood, and under and near the stove carefully protected by metal, stone or brick. All fire-boards, oven-lids, or doors to be fire-proof; and immediate notice is to be given the Company by the Assured when any alterations or additions have been or are made in, to, or around the buildings insured, by the assured, or others, whereby the same, as originally insured, is exposed to greater risk or hazard.
